HERE babies, THERE babies on the Farm

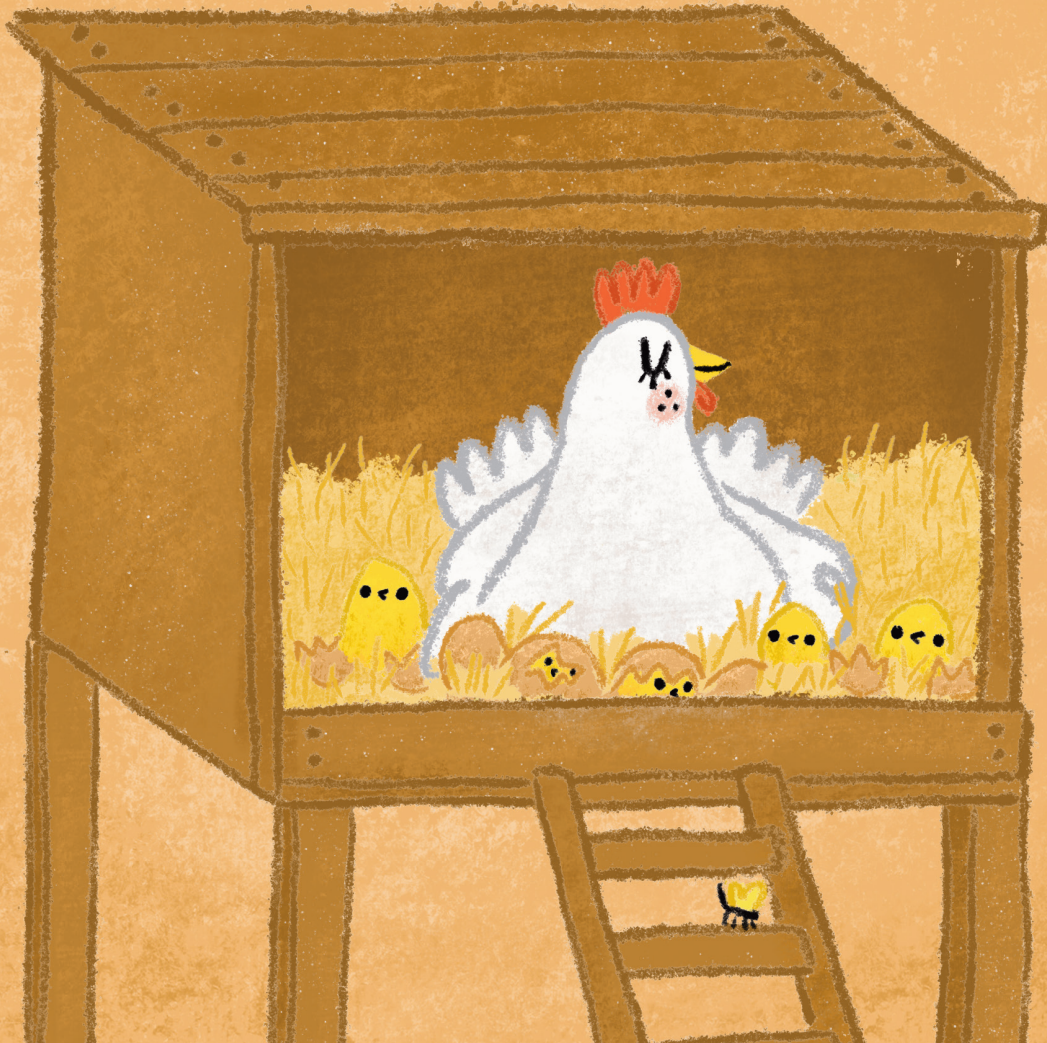

written by
Nancy Cohen

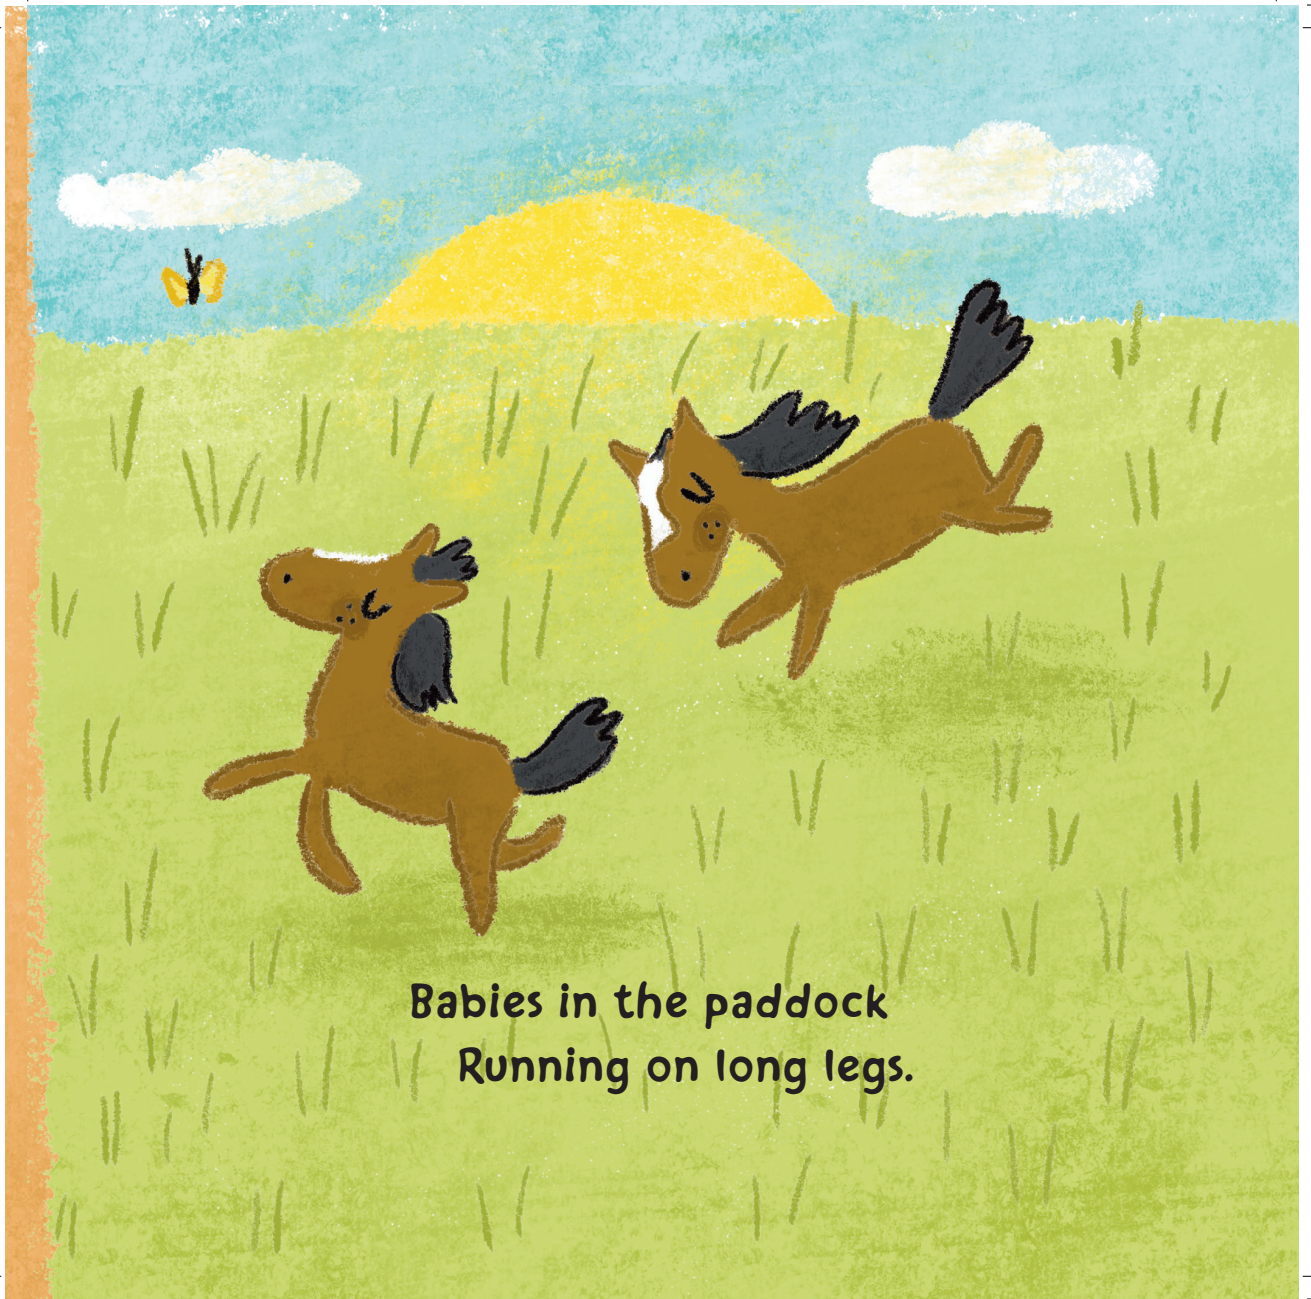

illustrated by
Lori Joy Smith

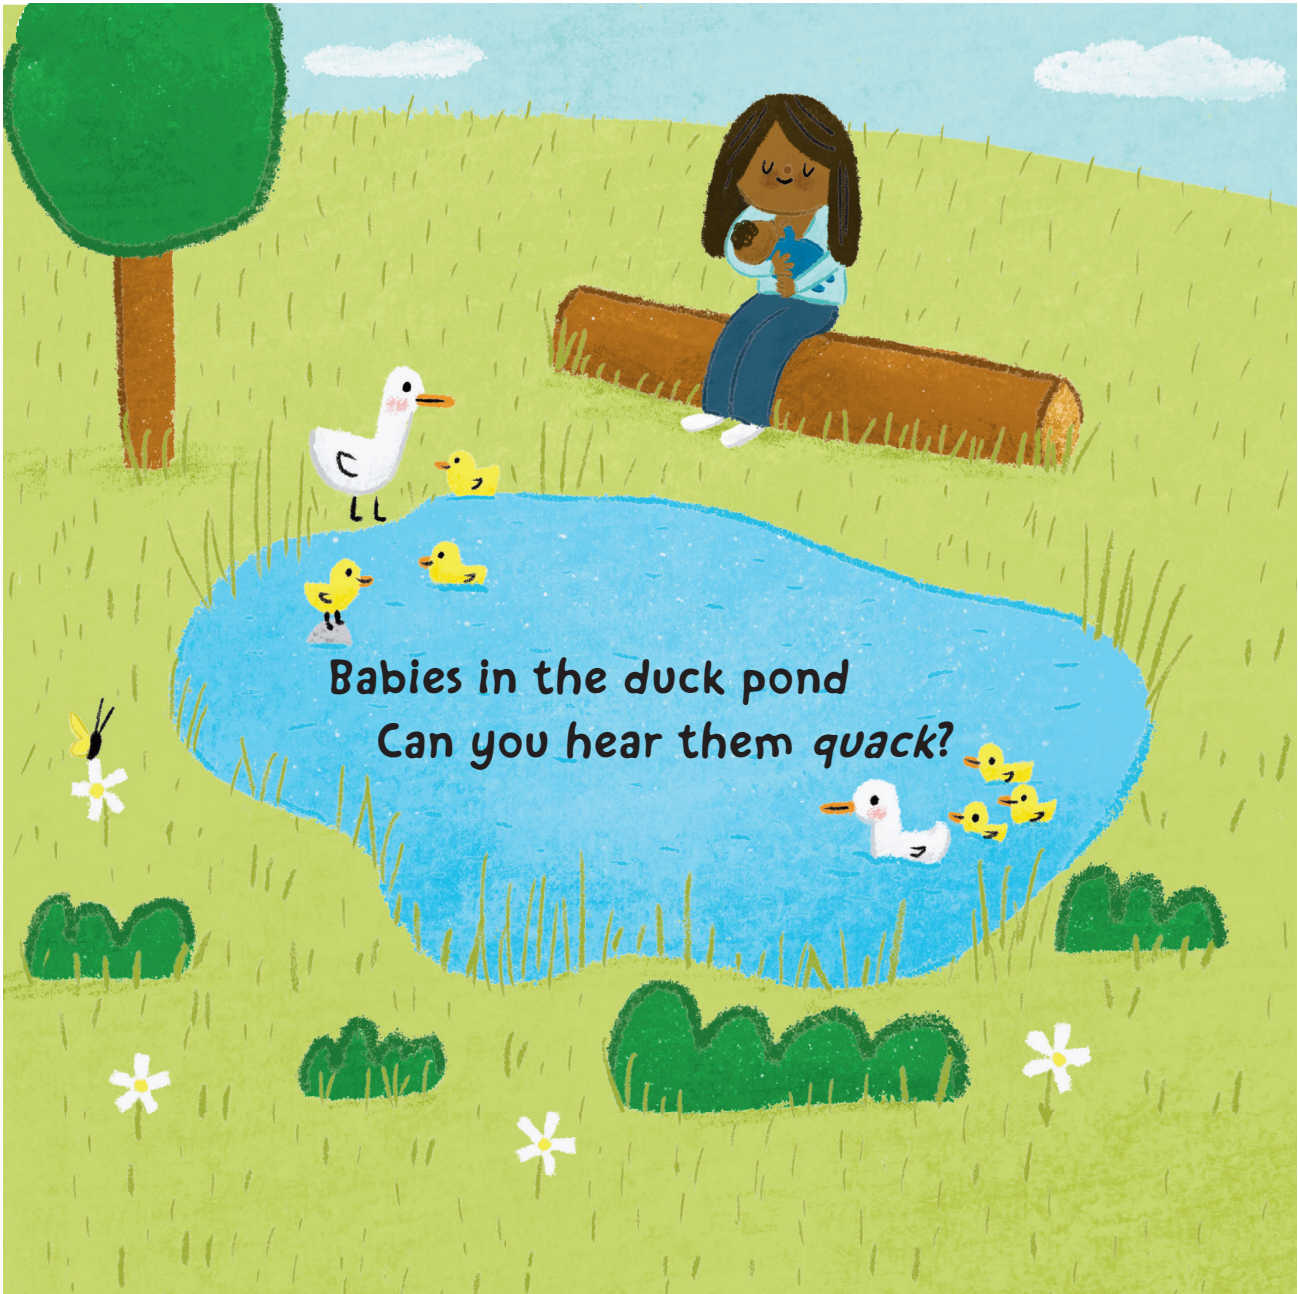

**Here babies, there babies
See them on the farm babies
Furry babies, feathered babies
Fuzzy, full of charm babies.**

Babies in the henhouse
Hatching from their eggs.

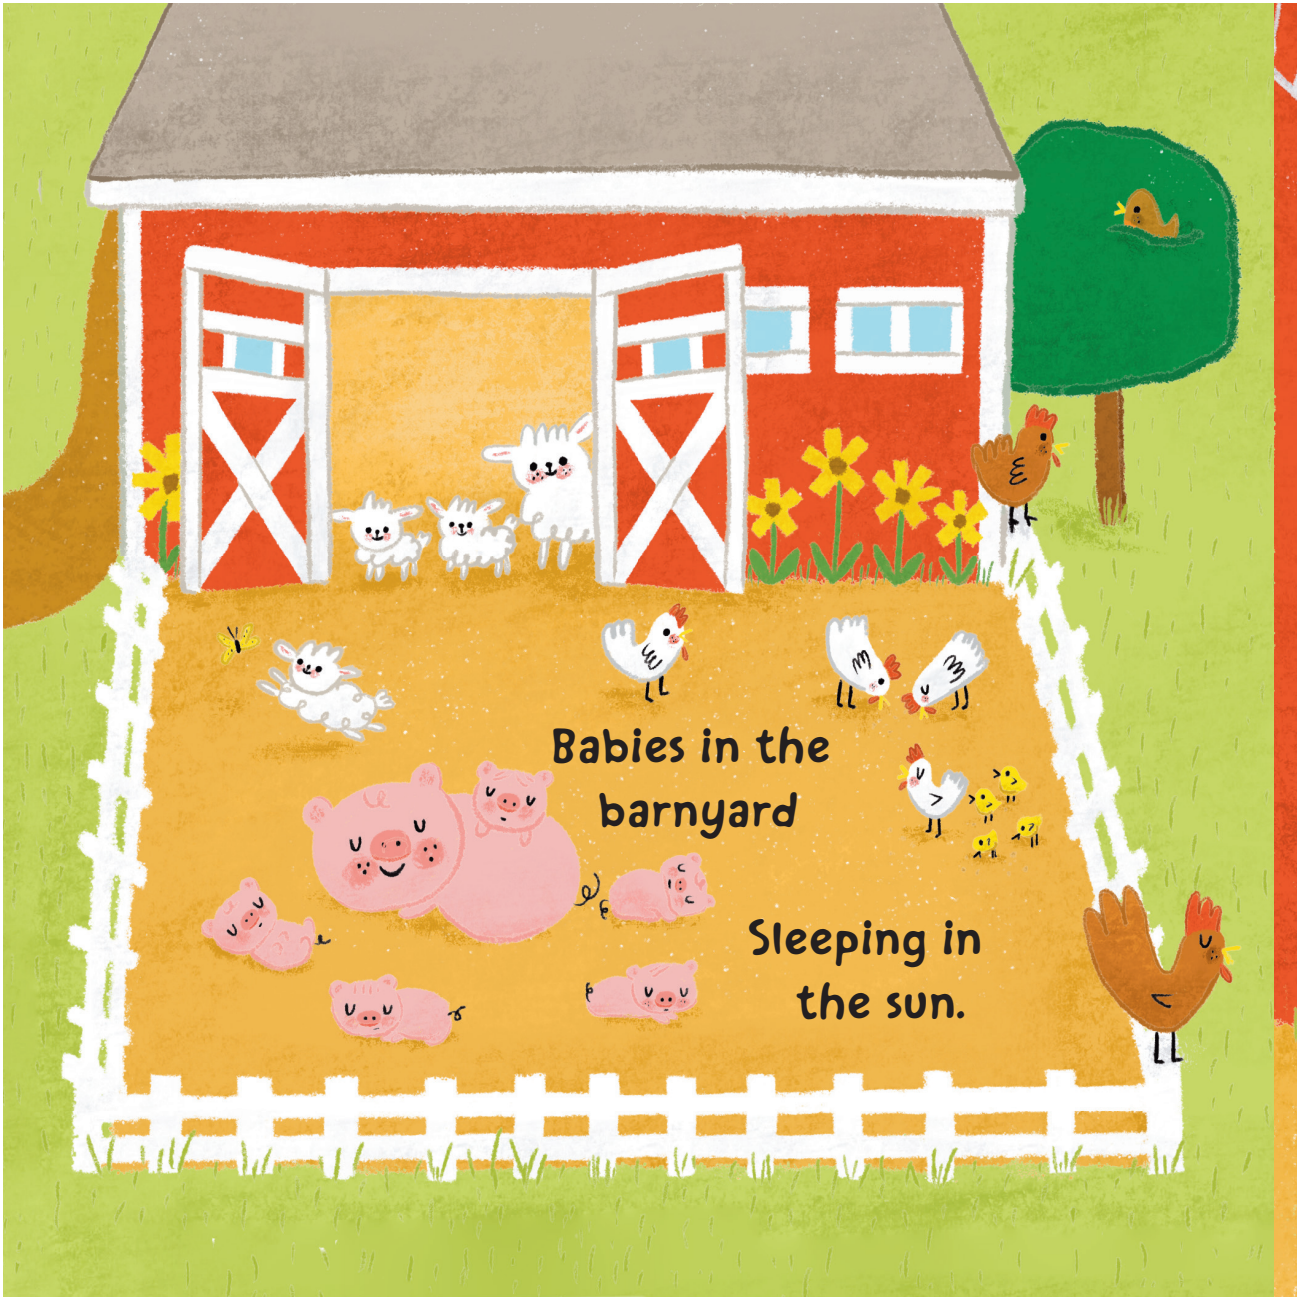

**Babies in the paddock
Running on long legs.**

Babies in the duck pond
Can you hear them *quack?*

Babies in the pasture
Having a quick snack.

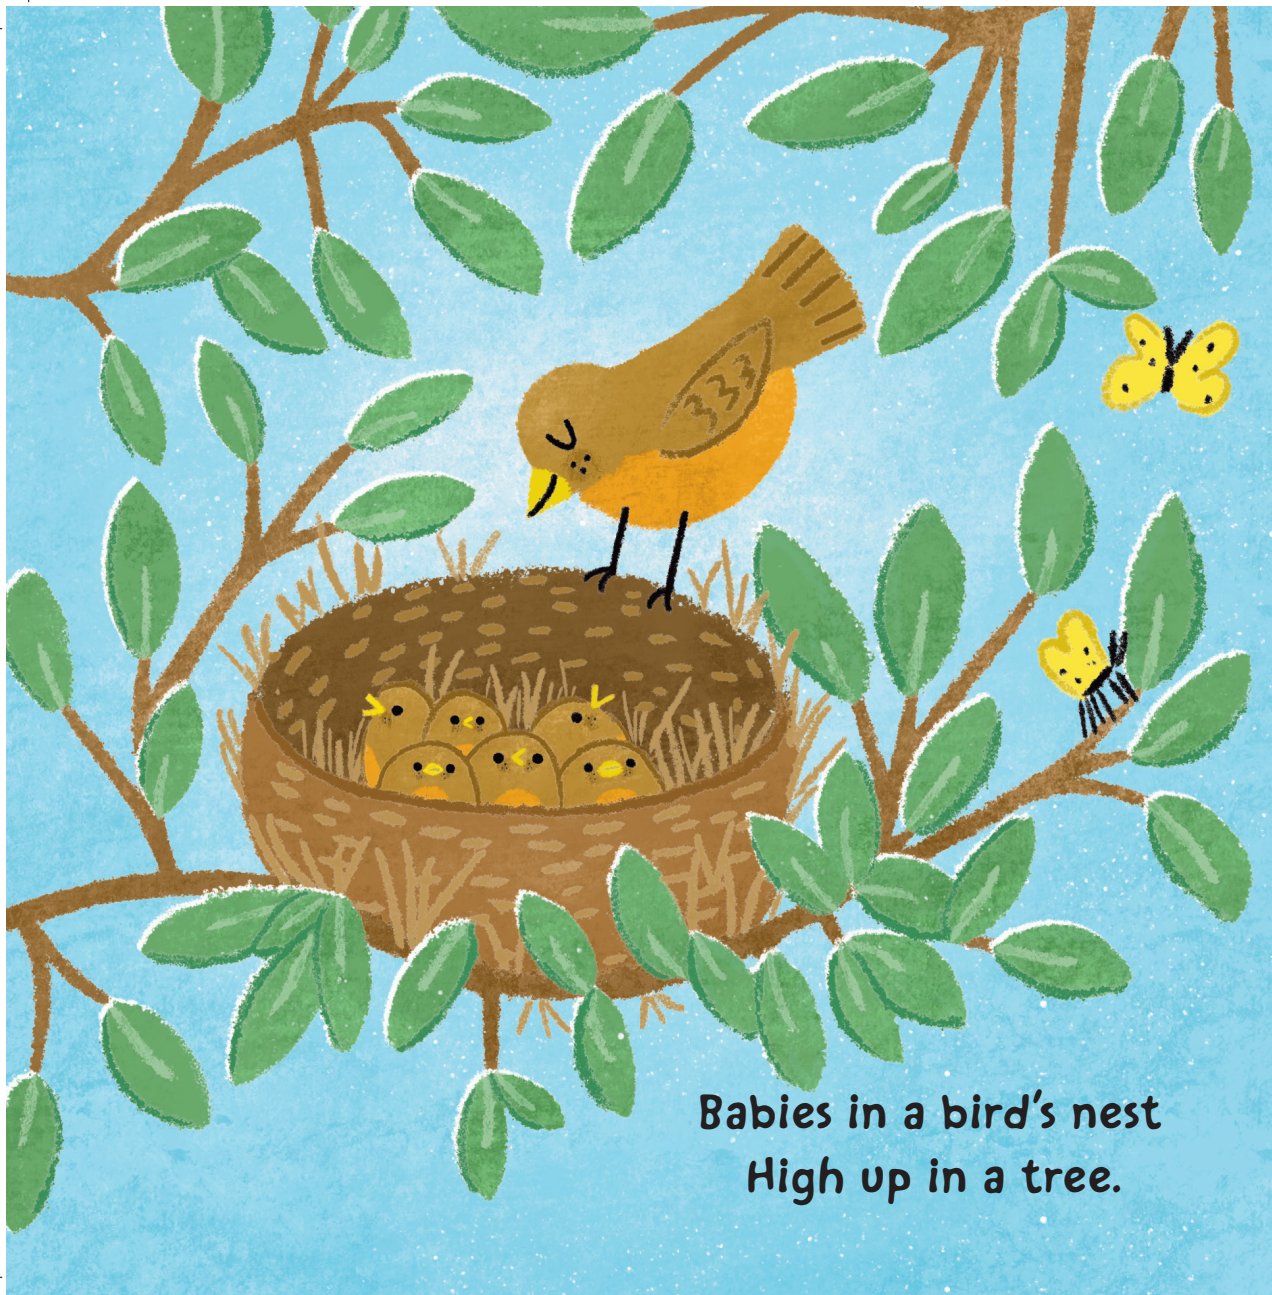

Babies in the
barnyard

Sleeping in
the sun.

Babies at the barn door
In the web their mama spun.

Babies in a bird's nest
High up in a tree.

Babies on the front porch
Bounce on grandpa's knee.

**Babies settle down to sleep
As sun sets on the farm.**

The air is cool, the moon appears,
And all are safe and warm.

Here babies, there babies
See them on the farm babies
Furry babies, feathered babies
Fuzzy, full of charm babies.
